Mayar Silk Weaving Factories - strike

The 300 workers of the Mayar No.2 Silk Weaving Factory, 619 Chiaotung Road, Chapei, and 180 workers of the Mayar No.9 Silk Weaving Factory, 1001 Route de Zikawei, declared a strike at 3 p.m. August 25 in order to enforce a demand for a wage increase ranging from \$0.01 to \$0.015 per metre of silk woven.

Of the 180 workers of the Mayar No.9 Silk Weaving Factory, 130 resumed work two hours later on the advice of their foreman who promised to refer their request to the General Manager, while the remaining 50 casual workers returned to work at 8 p.m. August 26 when the management granted them a small increase in wages.

The workers of the No.2 Factory, however, continue on strike this morning, August 27, and it is learned that the Chinese Authorities will mediate in the dispute.

After some discussion, it was agreed to accept the concessions and advise all workers to resume work on August 24. The majority of the workers appear to be satisfied with the concession.
